8th July 2009

Dear Stella,

I am writing to thank you for Jo Jingles contribution to the success of Rainbow Little Waltham Montessori Nursery School.

As you know, since we opened in February 2004, we have had a Jo Jingles session every Wednesday afternoon. We have received nothing but positive feedback from parents, which of course is based on what the children tell them! The children love the music, singing, playing instruments and dancing about and it adds a great deal to our programme of activities. It is great that your sessions are related to our topics of the week, which reinforces the key learning messages.

I think that the fact that Wednesday afternoons is our most popular afternoon session is a testament to the Jo Jingles team and the positive contribution they make to our school. We would certainly recommend Jo Jingles to any schools or other organisations and we are happy for you to give this testimonial to any prospective clients. We are also happy for other organisations to contact us regarding Jo Jingles and the contribution they have made to the success of our school.

With best regards,

Yours sincerely

Andrew Elvin
