

March 2009

Jo Jingles continues to run weekly here at the Staffordshire Moorlands Children's Centre.

Alison & Kate are enthusiastic, active, committed, friendly & fun individuals and as ever Jo Jingles is a great success with our families.

The Jo Jingles session forms part of the Family Services provision here at the Children's Centre and is supported by the Family Activity Team.

We hold two sessions a week, for families with children both under & over 18 months.

Jo Jingles supports the communication, expression & imagination of music & dance with our families. They are able to explore sounds, move to the music and march singing simple songs.

Both of the sessions are always really well run and enjoyed immensely by children, staff and parents/cares too.

Kate & Jo Jingles have also proved very popular at our Christmas Parties.

I would like to take this opportunity on behalf of the Family Activities Team and Children/Families here at the Staffordshire Moorlands Children's Centre to thank Jo Jingles, Alison & Kate for their continued fun, friendly and interactive music sessions.

Kind Regards
Sarah Quinn
Family Activity Co-ordinator
