Jo Jingles has visited The Green Wellie Day Nursery on a weekly basis, for many years now.

Our children love Wednesdays, they really look forward to Jo Jingles visiting and start singing the songs as soon as we mention that today is the day!

Cheryl has an excellent rapport with the children, they know her well and accept her with enthusiasm and admiration.

She speaks with each child individually and gets straight into the routine with the Hello song and ends with the Sleeping Bunnies helping with recognition.

The benefits for our children are endless, children gain instrument appreciation and respect, they respond and investigate how to use instruments correctly and safely with fun organised activities, sequences and songs.

They use their listening skills and answer questions with praise, promoting their social skills, they work together as a group and remember many pieces from week to week.

Cheryl provides an abundance of materials supporting particular schemas. She maintains the children's interest and provides exciting challenges with repetition to help us all!

Everyone enjoys the Jo Jingles sessions, children, parents and staff alike.

suffolk children first
